

Pomelo

House to rest and enjoy

Maslenica is a small village located on the shores of the Novigrad

Sea.

It is named after the centuries-old olive groves that the locals grow along the coast.

A small village perfect for vacation, hidden in the bay of the Novigrad

Sea at the foot of the Velebit mountain, where a strong wind disperses the clouds and where the sun shines over 2500 hours a year.

For Zadar, the famous director Alfred Hitchcock said that he experienced the most beautiful sunset there, so settle on the shore or a terrace by the sea and at the end of the day check if he was right.

Culture, history, nature, beaches, this city and its surroundings have it all!

Zadar is only 30 min by car from Maslenica.

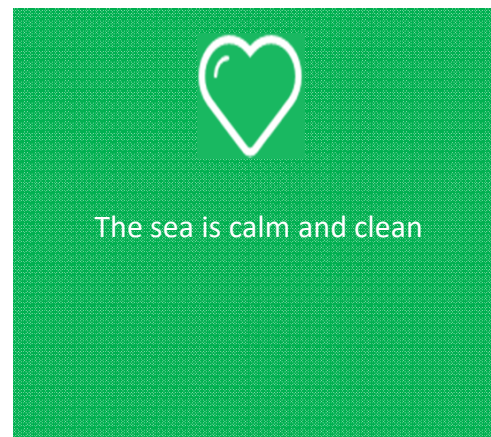

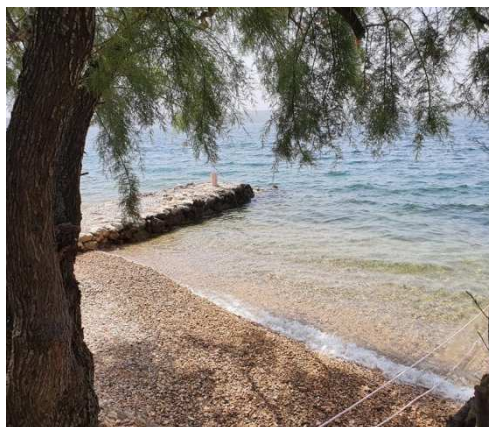

Zrmanja starts its 69 kilometers long journey in the southern part of mountain Plješevica. On its way to Novigrad's sea, in which it floats into, it goes through arable narrow valleys and magnificent 200 meters deep canyon. It is typical karstic river – it has numerous waterfalls, cascades and rapids, which make it perfect for white water sports. You have also day trips to Zrmanja with the boat, just contact Hrvoje (0038599 574 7434), and he will arrange it.
